SUMMARY

Web Developer with 1 year of experience in developing web-based systems, especially reporting systems, data management features, and informative dashboards. Graduated with a degree in Informatics Engineering from Dian Nuswantoro University. Skilled in designing system workflows, processing data, and building web applications that support operational efficiency and data-driven decision-making. Familiar with Laravel, MySQL, JavaScript, and other web development technologies.

EDUCATION

Dian Nuswantoro University

- Informatics Engineering GPA: 3.81
 - Course Related: OOP, Web Programming, Information System, Back-End Programming.
-

EXPERIENCE

Data & System at PT Hwaseung Indonesia 2

- Developed a web-based laboratory system for data recording, reporting, and factory operational monitoring.
- Built informative dashboards to support data analysis and decision-making.
- Maintained data integrity across modules and monitored system performance.
- Optimized interdepartmental communication by implementing system-based communication features for testing item delivery workflows.
- Collaborated with IT teams and laboratory users to analyze system requirements and improve workflow efficiency.

Freelance Web Programmer

- Developed a company profile landing page using Next.js and Tailwind CSS.
- Implemented responsive design for optimal display across multiple devices.
- Improved user interface layouts to enhance user experience and company branding.

IT Intern at PT Indofood Fortuna Makmur Semarang

- Developed a web-based system to support monthly data recording as a companion to Excel-based processes.
- Built informative dashboards with role-based access control.
- Developed a consumable stock management system for purchase order tracking, stock usage, stock opname, and reporting.

CERTIFICATION

- TOEFL (Test of English as a Foreign Language) (score: 503)
 - Internship Program: Web Development at Infinite Learning
-

RESEARCH

Balancing CICIoV2024 Dataset with RUS for Improved IoV Attack Detection

- First Author | Published in JAIC, SINTA 3 Indexed Journal | 2025
